ESTABLISHED 1850

Lipman Wolfe & Co.

PORTLAND, OREGON

EXECUTIVE OFFICE

November 2, 1938.

Commissioner O. R. Bean,
City Hall,
Portland, Oregon.

Dear Commissioner Bean:

Who, in your estimation, is the best individual or organization to take up and push aggressively the matter of getting a Front Street Development? You have, no doubt, seen Mr. Upson's estimate showing that the cost of the right-of-way is not out of line and constitutes no obstacle.

In speaking to Mr. Griffith he told me that WPA had always been available for this project and he felt it was a shame it had never been undertaken.

Would appreciate greatly your thoughts on this matter.

Yours very truly,

HFV:BC

P.S. Mr. Heims, our architect, has a number of pictures of water fronts in other cities, both American and foreign. If you would be interested in seeing them, I will have him bring them up to your office sometime.
